If it is proved that any member of any Band receives a fee for playing in any Band Contest, such Member and/or Band shall be liable to disqualification, fine or suspension by the affiliated Band's State Governing Body or Contest Delegates having jurisdiction.

REGULATION 15.3

No competing Band or Member shall be allowed to practice or play in any building or grounds within hearing of the Contest building or grounds while the Contest is proceeding.

Interpretation – While the Contest is proceeding shall mean from the first performance to the last performance. This is to include all buildings and ovals being used for the Contest performances with the exception of any officially designated warm-up room/hall.

REGULATION 15.4

In any Contest where a prize for discipline is given, points shall be awarded for punctuality, promptness in obeying commands, street marching, general bearing as a Band both on and off the Bandstand and general behaviour in and about the Contest ground.

REGULATION 15.5 (Amended June 2004)

Any fine imposed under these Regulations must be paid within thirty (30) days of the date on which notification, in writing, was forwarded to the player or the Band concerned. No player or Band, or registered member of that Band, is eligible to compete in a Championship Contest whilst an overdue fine remains unpaid by that player or Band.

In the event of a fine being imposed by the Contest or Protest Committee for any breach of Regulations, Contest Rules or Conditions, the amount of such fine, when paid, shall become the property of the Contest Committee.

REGULATION 15.6

Any member of a Band approaching a member of any other Band without the latter Band's consent with the object of enticing them to leave that Band shall, if found guilty of the offence, be disqualified by the State Governing Body for a term of not less than one (1) year.

REGULATION 15.7

Any Band playing a player suspended, disqualified or fined at a rehearsal, public performance or Contest shall render itself liable to a fine, suspension and/or disqualification by the affiliated State Governing Body having the jurisdiction of the said Band.

REGULATION 15.8

Upon a written report being received by an affiliated State Governing Body or the Chief Supervisor that a registered member of a Band has, within a period of forty-two (42) days of the Contest, refused to play with such Band at a Contest, the member shall be cited to appear before or forward a statutory declaration to the affiliated State Governing Body or the Chief Supervisor as the case may be, to show cause why they should not be disqualified from further Contesting.

Should it be proven to the satisfaction of the State Governing Body or the Chief Supervisor, as the case may be, that the member is not reasonably justified in their action, they shall be disqualified from Contesting for a period of not less than one (1) year.

In the event of the Band concerned proving to the satisfaction of the State Governing Body or the Chief Supervisor that the defection of such member will seriously handicap the Band in a

coming Contest, the State Governing Body or the Chief Supervisor may grant an emergency in accordance with Regulation 4.10 but the Band shall not be entitled to an emergency unless the circumstances surrounding the case are such as to merit the disqualification of the player complained of.

REGULATION 15.9

A State Governing Body permitting a breach of the Regulations of the National Band Council of Australia or failing to enforce the Regulations at any Australian National Band Championships Contest shall be dealt with by the Council.

16. PROTESTS & APPEALS

REGULATION 16.1 (Amended June 1999)

The Protest Committee shall consist of the Chief Supervisor, the NBCA Contest Liaison Officer, President and Secretary of the State Governing Body and the Contest Administrator or their nominees. The NBCA Contest Liaison Officer shall be the presiding officer of the protest committee.

REGULATION 16.2

When a protest is under consideration any member of the Protest Committee connected directly or indirectly with a Band whose position in the prize list may be affected by the decision on such protest, shall temporarily cease to be a member of the Protest Committee and shall not be eligible to take any part in the proceedings relative to such protest nor to attend any meetings as a member of the Committee while such protest is being considered.

REGULATION 16.3 (Amended June 1999)

The Secretary of the affiliated State Governing Body, NBCA Contest Liaison Officer, or the Chief Supervisor may at any time prior to the announcement of places in the section of the Band protested against, or in the relevant Party or Solo Competition, lodge with the Contest Administrator a protest against any competing Band, Party or Soloist. All Bands that have entered shall be allowed to compete. Any protest must not be considered by the Protest Committee until the Band has completed that performance.

REGULATION 16.4

Any protest against a Band, Party or Soloist other than one made by the affiliated State Governing Body or the Chief Supervisor must be lodged with the Contest Administrator or a member of the Protest Committee not later than fifteen (15) minutes after the decision of the

Adjudicator has been announced and the protest fees prescribed in Regulation 16.6 must be paid at the same time.

REGULATION 16.5 (Amended June 1999)

When a Band, Party or Soloist has been disqualified, the prize or prizes gained by such Band, Party or Soloist shall be awarded to the next in order of merit. Any protest against a Band, Party or Soloist which, by virtue of such disqualification, comes into the prize list for the first time must be lodged with the Contest Administrator not later than 15 minutes after the decision of the protest committee has been announced and the protest fees prescribed in Regulation 16.6 must be paid at the same time.

REGULATION 16.6 (Amended June 1999)

Protest fees payable by a party lodging a protest shall be -

- For a protest lodged against a Band \$20
- For a protest lodged against a Party or Soloist \$10

Should the protest Committee declare any protest unwarranted, it may order the whole or any portion of such fee be forfeited and fees so forfeited shall become the property of the affiliated State Governing Body. No fee shall be payable upon a protest lodged by the Secretary of the affiliated State Governing Body conducting the Championships, Chief Supervisor or NBCA Contest Liaison Officer.

REGULATION 16.7

When the Protest Committee is considering a protest, those entitled to be present and take part in the proceedings shall be

- 1 the party who lodged the protest
- 2 two (2) representatives of a Band against whom a protest has been lodged; or
- 3 one (1) representative of a Party or Soloist against whom a protest has been lodged.

Any such parties shall be entitled to produce oral or documentary evidence in support of their case and to cross-examine witnesses.

REGULATION 16.8 (Amended June 1999)

When considering a protest the Protest Committee shall deal with the facts only and must accept as correct the interpretation of the Regulations as laid down by the NBCA Contest Liaison Officer.

REGULATION 16.9 (Amended June 1999)

The Protest Committee shall decide any protest and, should such protest be upheld, may disqualify and/or fine the Band, Party or Soloist against whom the protest was lodged.

REGULATION 16.10

Should a trophy be awarded before the expiration of the fifteen (15) minutes allowed after the award has been announced and a protest subsequently upheld, the recipient must return to the Chief Supervisor such trophy which has been awarded.

REGULATION 16.11 (Amended June 1999)

Any person aggrieved may appeal to the National Band Council of Australia against such decision, but otherwise the decision of the Protest Committee shall be final and conclusive. Any notice of appeal must be lodged in writing accompanied by a fee of \$100 within 7 days. Should the NBCA declare any appeal unwarranted, it may order the whole or any portion of such fee be forfeited and fees so forfeited become the property of the NBCA.

REGULATION 16.12 (Amended June 2001)

The Council may delegate the hearing of an appeal to an Appeals sub-committee. The sub-committee shall consist of not more than five (5) members. The President, Vice-President and Executive Officer of the Council should be members of the sub-committee whenever practicable.

All appeals should be dealt with at the earliest reasonable opportunity. Subject to the observance of the principles of natural justice, the Council or Appeals sub-committee may regulate its own proceedings.

A decision of the Appeals sub-committee shall be deemed a decision of the Council.

REGULATION 16.13 (Amended June 1999)

The decision of the National Band Council of Australia upon such appeal shall be final and conclusive. Upon hearing the appeal, the NBCA can quash, amend or substitute any penalty and make such ruling on the return in whole or part of the appeal fee as it sees fit.

REGULATION 16.14

Should a trophy be awarded prior to the announcement of the appeal decision and the appeal subsequently upheld, the recipient must return to the NBCA Executive Officer such trophy which has been awarded.
